The Renaissance and Orthomolecular Uses of Iodine

Attendees will also have the opportunity to visit [The Bernard Jensen / Iridology / Natural Health Museum](#)—on site and open throughout the conference, showing and telling the personal and professional story of Dr. Bernard Jensen's life. [Exciting Booths](#) will have the latest in natural health products, health education, iridology certification, books, and iridology cameras and equipment. Some of the best companies in the field have been invited to present at this conference.

The Town and Country Resort and Local Attractions

The Town and Country is a luxurious resort with lovely palm trees and beautiful rose gardens. You may pamper yourself at the lovely Bella Tosca Day Spa and Beauty Salon, swim in the pools, or play a round of golf. Many San Diego attractions are just minutes away! Bring your family and visit Legoland, Sea World, the San Diego Zoo, the Wild Animal Park, Balboa Park, lush botanical gardens, museums, and art galleries. Discover some of San Diego's history by visiting historical Old Town, the Gaslamp Quarter, Cabrillo National Monument, or some of the region's many missions. The San Diego Trolley and the Mission Valley Shopping Mall are within walking distance from the hotel. The Town and Country features a wide range of dining choices with six excellent restaurants or cafés. Many other restaurants are available by trolley.

The **Birthday Celebration** on Saturday night will be a joyful, fun time for all! There will be a birthday cake, refreshments, door prizes, live music, and entertainment. Background videos of Dr. Jensen's life, ranch, and travels will be shown. There will be an open mic time for those who want to speak about their experiences with Dr. Jensen and ways they are carrying on this work. We will honor some very special people as they speak about how Dr. Jensen helped heal them or changed their lives.

Ellen and Art Jensen
