Relationship Report for Your EG and Twin Soul/BF

How to get the most from this Relationship Report

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

All about Your EG's Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Ace of Clubs Person

The Desire for Knowledge Card

The desire for knowledge, accompanied by the desire for love (Two of Hearts Karma Card) are the main influences for this card. Combine these together and you have a person who is a student of love as much as one who would truly like to find their ideal mate. This card has been known for promiscuity, but this is only true until they find the person of their dreams. They would rather be with anyone than alone, but will not give themselves fully until the right person comes along. Like all Aces, they are impatient and restless. Their curiosity leads them to be avid students, often with immense libraries and collections of learning materials of all kinds.

They are very smart and can use their brains and creativity to generate ample funds. They can make money in things associated with the arts or groups of women, anywhere creativity and quick thinking can be utilized for profit. They are very congenial and this helps them make friends at work and gives them good communications skills. They have very quick, sharp minds, and they are witty and avid talkers.

Their later years will not be satisfactory unless they turn to spirituality for guidance. They are the divine discontent card and need travel and changes in life and their work to satisfy both their desire for knowledge and their inner restlessness.

Some of the Ace of Clubs Issues Concerning Relationships

Like the Two of Hearts, many Ace of Clubs have the reputation of being promiscuous. However, this only occurs among those who have not yet found their true love, for whom they all are searching. If and when they find the person of their dreams they are as devoted as possible. They have that romantic glow in their eyes because they know there is a special relationship out there for them somewhere. They never let go of the dream of true and

lasting love. Consider yourself lucky if they have chosen you as this special person in their life.

These loving and gentle people always have many friends and usually a good circle of friends. They need to express themselves and their creativity. It is often in this expression that the need for multiple relationships occurs.

All about Your EG`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Five of Spades as Your Planetary Ruler

This ruling card can cause you to do a lot of traveling or moving in your life. It basically adds a very adventurous side to your personality. You probably see life as an opportunity to experience many interesting things more than anything else. Even so-called 'bad' experiences will have value to you because of what you learn from them. You love to be with people and have some success in groups of all kinds. The larger the better. You also have a fair amount of sales and promotion ability and could easily make a living doing this sort of work. You are amicable and can relate to most anyone on their level, making them feel comfortable with you. But your restlessness is the real heart of this card's meaning.

All about Your EG`s 2nd Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Five of Clubs as Your Planetary Ruler

This ruling card reflects a very restless side to your personality. Because of it, you are fond of travel, changes of residence and meeting new people. This card also gives you more than average ability to sell or promote products and services. So, you would fit in the role of traveling salesperson quite readily, though this by no means is a sure indication of what you do for a living. The restlessness of this card extends to your romantic life as well. Whether you admit it or not, you probably have a problem with long-term commitments. This could be reflected as your choosing partners who cannot commit just as often as you not being willing to. You have a thirst for adventure that keeps you searching for what lies ahead, and perhaps often leaving the past behind.

All about Twin Soul/BF's Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Queen of Diamonds Person

The Philanthropist Card

Like some other cards in the deck, the Queen of Diamonds has much indecision about values (Three of Diamonds Karma Card). This means that they often have difficulty deciding what they want the most. They love variety and are very creative and resourceful, unless they are worrying about money, which they often do. The Queen of Diamonds has expensive tastes. When they get money, they like to spend it on items of high quality and usually high price. For this reason, they often spend beyond their means and perpetuate their financial fears. Despite all of this, they are one of the most giving cards in the deck. They represent the rich aunt or grandmother that takes you shopping for some new clothes. All are philanthropic but they can be ruthless if crossed.

Queen of Diamonds are known to be charming and enjoy the finer things in life. They are constantly seeking new adventures and sometimes relationships as well. The Queen of Diamonds has an innate good business sense and the talent of being able to promote their products or services. They can excel in many areas and have good leadership abilities. Regardless of what they do, they are Queens and therefore tend to 'mother' or 'nurture' others in their work and lives.

They have a naturally critical mind that is capable of doing intense analysis and planning. However, this same mind can become negatively oriented when things don't turn out as they plan and then the Queen of Diamonds can become very negative and critical of others. They must practice a positive attitude to counterbalance this tendency.

If Queen of Diamonds people adopt a spiritual path in life, they can realize a special mission and achieve the heights of spiritual realization and self-mastery (Queen of Spades in Neptune). They also have a soul connection with many of the ancient sciences. A natural attraction to the ancient mysteries and secret knowledge promotes the study of the eternal truths which helps alleviate many of their mundane problems. If dedicated to a higher goal, there

All about Twin Soul/BF's Birth Card

is no limit to how high they can climb in their lives. Some of the world's wealthiest people have been and are Queen of Diamonds.

Some of the Queen of Diamonds Issues Concerning Relationships

As mentioned earlier, the Queen of Diamonds has some of the most difficult challenges that exist in the area of love. Being headstrong and proud, fond of variety, afraid of being abandoned and having the power to get what they want when they want it can be a troublesome combination. Three or more marriages is common for this card and even when they seem happily settled down, it is usually only temporary. They are quite charming and have a bit of charisma that makes it easy for them to start new relationships. The challenge for them is sustaining the relationship once it is started. They usually get their wishes, for better or worse, and must live with the consequences of their desires.

All about Twin Soul/BF's Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Five of Hearts as Your Planetary Ruler

Regardless of what your Birth Card is, you are a restless person who is seeking to learn about love through direct experience. For this reason, you may have many relationships over the span of your life. You may also seem to avoid commitments on an emotional level, as these may hamper your ability to get all of the experiences that you desire. Freedom is a very important word in your vocabulary. However, you may even get married, though few with this card do. If so, you are doing it for what you can learn from the experience more than anything else. You probably love to travel and have gravitated towards things and occupations that allow you the freedom to do so. You have some common sense about money and organizational ability that help you keep an ample supply of money on hand at all times. But essentially, you are a free spirit who loves to meet new people and have new experiences.

All about the Love Connections you share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

Relationship Report for Your EG and Twin Soul/BF

The First Connection Between You

Your EG

Twin Soul/BF

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

Your EG and Twin Soul/BF are Jupiter to each other

Location: Spiritual Spread

This connection tells us that Your EG and Twin Soul/BF shared a past life together in which a major focus was their philosophy and ideas about life. Perhaps they were members of a religious group, or somehow entered into a life of spiritual disciplines and study. This lifetime had a powerful and enlightening influence upon both of them, revealing many truths about life and the laws of the universe that they still draw upon for guidance and direction. This foundation of principle can be one of the most important cornerstones of their relationship, and one which they draw strength and purpose from during their life together. Their beliefs and philosophies do not even have to be verbally expressed. Because this connection stems from a past life, the closeness they share is just there - it needs no explanation, unless they feel the need, for some reason, to express it.

Now that they have found each other, Your EG and Twin Soul/BF are reminded of the life they once had. By being together, many positive results manifest themselves in their lives. Your EG and Twin Soul/BF enjoy giving to each other in many ways as a natural expression of their love. They may exchange guidance and inspiration when it is needed and this may remind them of the high level of truth and integrity that they once shared. However, the blessings of Jupiter can also extend to the financial arena. Prosperity can be another wonderful thing that Your EG and Twin Soul/BF share with each other.

Many couples who have this connection end up quite well-off financially and they seem to be 'lucky' by most standards. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. That frame of mind involves having mutual appreciation and gratitude for the abundance that this relationship brings into their lives.

With such a fortunate connection between them, Your EG and Twin Soul/BF have a lot going in the right direction for a happy and prosperous future. Even if it is not intentionally cultivated, this connection will definitely

Your EG

Twin Soul/BF

bring many good things into their lives. If they want to cultivate it to get even more benefit, all they have to do is spend more time appreciating what they have and communicating that to each other. Mutually felt and expressed appreciation is a vital ingredient in nearly all successful relationships. With this wonderful connection between them, Your EG and Twin Soul/BF should have little trouble in experiencing just how good life can be.

Affirmation for Your EG: I enjoy the many wonderful things that Twin Soul/BF and I share together. I feel that we have a deep spiritual connection that makes me feel that we are going in the same direction. We seem to attract abundance in our life as our mutual sharing and giving is so greatly appreciated by both of us.

Affirmation for Twin Soul/BF: I am continually thankful for the many things that this relationship with Your EG brings into my life. It is like a miracle, all of the good things that seem to magically come our way. I especially appreciate the sense of similar beliefs and spiritual values that are the foundation of our being together.

Your EG

Twin Soul/BF

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is a wonderful connection that is often found among the cards of happy and productive relationships. One of the main benefits of it is the financial end but it has other significant benefits as well. Jupiter is known among astrologers as the 'great benefic'. It is the only planet in our solar system that gives off more energy than it receives from the Sun. Its location in our natal astrological chart always points to some area of our life where things come easily to us and where we have many blessings to be thankful for. In this relationship, Twin Soul/BF has much to be thankful for, thanks to Your EG, because he is a major blessing in Twin Soul/BF's life.

These blessings may take many forms but they are often of the financial nature. Even though as a couple Your EG and Twin Soul/BF may not be wealthy, Your EG definitely likes to give things, including money, to Twin Soul/BF. This natural inclination to give is one of the signs of prosperity consciousness. Therefore, if not now, it could lead to great financial success in the future. This is an especially strong possibility if Twin Soul/BF expresses and feels appreciation for Your EG. Appreciation is one of the most important keys in obtaining prosperity. If Twin Soul/BF will allow the appreciation engendered by this connection to grow, and if she expresses this verbally, this relationship could bloom into a prosperous and happy life together where there is much more money and things than they could ever use or need.

On other levels the Jupiter connection can bring blessings of many forms. There could be a sharing of philosophies and spiritual ideals. Your EG may provide beneficial guidance and inspiration to Twin Soul/BF. Essentially he will have a natural desire to give whatever he has that Twin Soul/BF values. If Twin Soul/BF wants to see the blessings in this relationship grow, just remember to feel and express the appreciation, as was mentioned earlier.

This connection increases the overall compatibility between Your EG and Twin Soul/BF to a good degree. The fact that they have this connection points to some good karma for both of them, something that they earned by doing

The Second Connection Between You

Your EG

Twin Soul/BF

good deeds for others in the past. It is a sign of good fortune and if harnessed in the ways mentioned above, will develop into one of the cornerstones of their happiness together and provide the prosperity that will ensure an abundant and happy future.

Affirmation for Your EG: I am glad to be a blessing in Twin Soul/BF's life and hope that I can give her all that I have to give. I allow myself to express my generosity in its fullest with no expectation that Twin Soul/BF must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for Twin Soul/BF: I am grateful for the presence of Your EG in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings and transform our relationship into a powerful force for prosperity, peace and abundance.

The Third Connection Between You

Your EG

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Twin Soul/BF has a definite impact on Your EG in this relationship. She has a way of making Your EG feel stimulated. Often this stimulation can be of a sexual nature. For this reason, the Mars connection is often a deciding factor in our choice of partners. There is no doubt that Your EG was or is attracted to Twin Soul/BF on this level. He may enjoy this energetic connection or, at other times, be annoyed by it. If Your EG sometimes gets mad at Twin Soul/BF, this is because Mars energy can be destructive at times if not harnessed and channeled into positive pursuits. The things that turn Your EG on may also be the same things which anger him at other times. This is how Mars energy works with everyone. It is a fact that the relationships we desire the most are

The Third Connection Between You

Your EG

Twin Soul/BF

usually the ones that can stimulate the most hostility at other times. When Mars energy is not used constructively it can result in fighting, resentment, hostility and in some cases, all out war.

But Your EG can use this information and consciously transform the often negative effects of this Mars connection into positive directions. It is not that difficult to keep a Mars relationship healthy. It just requires some awareness and thoughtfulness. Twin Soul/BF can actually be a catalyst to get him out of the house and doing things. To give this powerful Mars energy something constructive to do, it is recommended that Twin Soul/BF and Your EG go outside and do things together, or at the very least, find something productive to do together with this energy. Couples with this connection usually go walking, hiking, jogging, riding bicycles or participate in other forms of physical exertion. All of these and others serve to exhaust the Mars energy and satisfy it. When they do these sorts of activities together, they will always notice that they feel better, both personally and about each other, afterwards.

If Twin Soul/BF and Your EG have any desire to work together, they have found the perfect partner to do it with. Many successful working partnerships have this valuable Mars connection. But even in this case, Your EG should be on the lookout for the anger and competitive sides of this influence.

Because Your EG is the one who is on the receiving end of this powerful Martian force, it is likely that he has 'anger issues' to work out that are stimulated by Twin Soul/BF's presence in his life. It may appear that Twin Soul/BF seems intent on doing things that make him mad, even without knowing it. If Twin Soul/BF realizes this, she will be less likely to take offense at his reactions and words. In fact, Twin Soul/BF is probably not doing any of the things that Your EG thinks she is doing. This connection tells us that Your EG is the one who is the most influenced by this connection, and so he is also the one who bears the greatest responsibility for dealing with the emotions that are associated with it. If there are other Mars connections between them, this becomes even more important. Anger is actually a mistaken belief that others

The Third Connection Between You

Your EG

Twin Soul/BF

are intentionally disregarding us or trying to hurt us in some way. This 'misbelief' can be dismantled with awareness of what is going on and maintaining good communications.

This connection provides a lot of the spark and magic in this relationship. If Twin Soul/BF and Your EG use it with care, it can bring them much of what they want out of life. Any negative manifestations of this powerful energy can be controlled and eliminated through conscious awareness and when this is the case, it becomes like a genie in a bottle who can grant them all their wishes.

Affirmation for Twin Soul/BF: I am aware of how much I stimulate Your EG and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Your EG: I accept Twin Soul/BF as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.

The Fourth Connection Between You

Your EG is the Cosmic Reward Card to Twin Soul/BF

Your EG

Twin Soul/BF

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is a past-life connection and one that has strong, spiritual overtones.

The Cosmic Reward Card is associated with Jupiter and as such can be a blessing in our life. But whereas Jupiter's blessings are often of a financial nature, the Cosmic Reward Card's blessings are usually of a less material nature. In its highest manifestation, the Cosmic Reward connection will bring us experiences that validate our own importance in the universe, helping us feel connected and blessed by higher powers. We can receive guidance and confirmation about our life and its purpose. Feelings can arise that inspire us, enliven us and make us feel good about living. These are things that we often do not value much until we have advanced in age to some degree. In general, we say that Cosmic Reward relationships are perceived as more of a blessing after the age of 35. But this is only based on averages and norms. Anyone can be more interested in these things at any age.

Twin Soul/BF is the one who is receiving this Cosmic Reward influence from Your EG. This means that Your EG could be a very important blessing in her life, if she is willing and able to receive it. Since the Cosmic Reward Card follows the Pluto Card, it is often only after we have done our own work of personal transformation, indicated by our Pluto Card, that we are rewarded, so to speak, by our Cosmic Reward Card. The Cosmic Reward Card, is, in any case, something that we are destined to become or achieve in this lifetime. This means that Twin Soul/BF may feel drawn to Your EG because she can perceive that Your EG has these qualities that are a part of her destiny. If Twin Soul/BF is creating a happy life for herself, Your EG will be a natural part of that happiness, if other connections do not strongly indicate otherwise.

This connection guarantees that this relationship has a certain amount of compatibility potential. Your EG truly feels encouraged to give to Twin Soul/BF and to share his wealth and abundance with her. This giving attitude can be part of a good foundation for a successful relationship. But, if Twin Soul/BF has not yet dealt with her own need for change in this lifetime, Your

The Fourth Connection Between You

Your EG

Twin Soul/BF

EG may just serve as a reminder to her of this fact. If this is the case, Your EG may seem more of a confronting and challenging influence to Twin Soul/BF.

So, we see that much of how this connection affects the relationship lies in the hands of Twin Soul/BF. It is for her to decide what to make of it.

Hopefully, she will be ready to receive Your EG as the blessing in her life that he has the potential to be. Later, she may realize that they were destined to be together, which is a common experience with this connection.

Affirmation for Your EG: I am glad to be a blessing in Twin Soul/BF's life and hope that I can give her all that I have to give. I understand that she may be challenged by me at times and have compassion for this. I only wish the best for her.

Affirmation for Twin Soul/BF: I am grateful for the presence of Your EG in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.

The Fifth Connection Between You

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is one of the past-life connections that tells us that Your EG and Twin Soul/BF have already been together before. In fact, in that previous lifetime, they developed a true friendship and mutual respect for each other that has carried over into this lifetime. Now, they can enjoy those qualities and use that to build an even stronger relationship. However, both should know the implications of this connection, which tells us that it is not ideally suited for all couples. Your EG and Twin Soul/BF have a great possibility here, but also possibly a great challenge. It all depends upon how well they are able to allow each other that personal freedom, especially when that freedom may scare them or leave them feeling uncertain. The Uranian relationship is certainly not for

The Fifth Connection Between You

Your EG

Twin Soul/BF

everyone. It is for those who want to experience the highest form of unconditional love in the context of an intimate relationship.

In particular, Twin Soul/BF may be the one who is most affected by Your EG's behavior. At times he may seem to act in such an unexpected manner that Twin Soul/BF is taken off balance by him. If she places big demands or expectations upon him, Your EG will seem to be even more uncontrollable and unpredictable, which may engender even more uncertainty for her. This is because Twin Soul/BF is the one who is receiving the Uranian energies the most, unless other connections point out that Your EG is also receiving some. In any case, the call here is for Twin Soul/BF to drop her expectations and learn to appreciate the time and things that she does share with Your EG, instead of focusing on the parts that she is not getting the way she wants. This can be an easy lesson or a hard one, it depends mostly on Twin Soul/BF and her attitudes. We might say it is a matter of having both faith that Twin Soul/BF will get her needs met and her having appreciation for all that she does have in the context of this relationship.

However, this connection tells us that Twin Soul/BF has already learned these lessons in the prior lifetime. She probably will not have such a hard time of it. Most of the relationships with this connection are good friendships. Both partners usually have separate careers or lives, but allow each other the space to do as they please without placing big demands upon each other. They truly enjoy the time they spend together but do not require that this time be scheduled into their lives, as if there wasn't going to be enough of it. It would be well for both Your EG and Twin Soul/BF to model themselves after these ideal characteristics, which is the Uranus connection in its highest expression.

The Uranus connection often provides a psychic link between partners. They just seem to know what each other is thinking or doing. Sometimes they can transmit thoughts to each other. It is really a beautiful thing when a Uranus relationship is working well. Both partners are relaxed and unconcerned as to whether or not they will see each other again. They both feel the love they have for each other and that is enough. The time they do spend together is like the icing on the cake, and another chapter (and adventure) in the book of their

friendship.

Affirmation for Your EG: I realize the powerful effect I have on Twin Soul/BF. Though I will never allow her to control me or dictate my actions, I will express my love to her so that she knows that I really care.

Affirmation for Twin Soul/BF: I allow Your EG to be completely free to be himself. In this way, I am creating the relationship of my dreams - one based upon true friendship and unconditional love.

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This connection promises a lot of compatibility to Your EG and Twin Soul/BF and presents some unique opportunities for them to take advantage of. It is considered to be one of the most beneficial influences that exists and is relatively rare, occurring in less than 1% of the population. If taken advantage of, this connection can bring some wonderful blessings of many kinds into their lives.

Jupiter is the planet of abundance, both material and spiritual. Since this connection between Your EG and Twin Soul/BF is mutual, they exchange these blessings on a relatively equal basis. But a mutual connection is often like having three regular connections because it tends to augment itself as the energy is passed back and forth between the partners. For this reason, we can say that Your EG and Twin Soul/BF are unusually blessed in this relationship and are likely to share many good things with each other.

Usually the partners with this connection share a similar philosophy about life. They may be involved in a specific religious or spiritual group, or just may have the same thoughts about life, justice, the world and other important matters. Having a similar philosophy lends itself to good feelings
