Rebirth the Earth: Simple Things You Can Do Now!

1. **Join the Enchanted Garden Club.** All Natural things grow from seeds that touch soil, as do we. <http://www.lesliegoldman.com/id28.htm>
2. **Plant Your Dream!** Connect your inner seed dreams with growing seeds. As the seed grows, so will your dream. Plant a seed. Grow a whole new world.
3. **Join Plant Parenthood!** Plants remind us that our ground is the Web of Life. Do what plants do. Go barefoot. Grow in good sun, water, soil. Vegetate.
4. **Make more fertile soil daily. Compost.** Befriend earth worms. Be an instrument of world peace, starting where you live. Why fight over Holy Land? We can grow as much Holy Land as we need with worms and compost. Be a Soil Mate. The Earth and the Soul are Soil Mates. Peter Dukich Biodynamic Powder works wonders for the Earth. Read about it here: <http://curezone.com/blogs/fm.asp?i=972182>
5. **Grow seeds & plants. Grow herbs!** Grow at least one medicine, tonic, tea, grain. Daikon radish, Mugwort, barley. Grow a Job's Tears necklace. Breathing aromatic herbs can create a whole new world in 15 seconds. <http://www.horizonherbs.com/>
6. **Create a portable mini Enchanted Garden,** a container garden. Grow baby greens and favorite herbs. Replant a beet; eat the beet tops, Grow baby onions, garlic, Have a portable container where you work that will inspire others to garden too!
7. **Be intimate with the person growing your food! Garden. Grow something you eat.** Not knowing who is growing your food is like being intimate with a stranger. <http://www.seedsofchange.com/default.asp>
8. **Know the farmers growing the rest of your food.** Send them love letters. Support "The Comeback of Joe the Farmer," the local organic farmer who will thrive again. Shop a Farmers' Market, Join a CSA. Shop at stores & use products that support locally grown organic food. Organic farmers stand up for Earth-based authentic Home Land Security. <http://lesliegoldman.com/Friend-of-the-Farm/index.htm>
9. **Eat organically grown foods daily.** Support the Organic Center Mission to have the USA be 10% organic by 2010. <http://www.organic-center.org/newmission/>
10. **Support Better Nutrition in our country,** starting with what you eat. Healthy Health Care begins with Self Care, Nutrition is a cornerstone. Respond to A Call to Action: <http://www.nutritionandhealthconf.org/call-to-action.pdf>
11. **Support every school having a garden.** May the current generation grow up to know as much about uploading good soil into apple trees as they know about uploading information into computers. Gardens grow healthy kids & good neighbors! May all gardens be Enchanted Gardens. <http://www.csgn.org/>
12. **Live your life as the History of Peace on Earth.** Appreciate what we have. Intend that this millennium be 1000 years of peace. Be the New Ground for this, starting in your backyard and inside your self. Be Mother Earth's voice through how you live your life. 10//07; Version #3. Leslie Goldman & Your EG
