## Affidavit of Sovereign Rights

Whereas, ~~We~~ **the People of the United States** hold our God-given unalienable sovereign rights to self-govern by indigenous power endowed by our Creator and guaranteed by the ten Articles of the Bill of Rights, *circa* 1791, which reserved and preserved the sovereignty of the people, We the People in the Republic for the united States of America reaffirm and continue *"The unanimous Declaration of the thirteen united States of America,"* July 4, 1776, and the Constitution for the united States of America, dated (Article VII) *"the Seventeenth Day of September in the Year of our Lord one thousand seven hundred and Eighty seven [sic],"* ratified with the Bill of Rights, *circa* 1791. Further, the Supreme Court held in 1793 *Chisholm v. Georgia*, 2 US 419 by Chief Justice John Jay stating, "At the Revolution, the sovereignty devolved on the people, and they are truly the sovereigns of the country, but they are sovereigns without subjects and have none to govern but themselves." President Andrew Johnson referenced this sovereignty in a proclamation on December 25, 1868, "and in the name of the sovereign People of the United States." Therefore, as one of "We the People of the United States,"

**I affirm, witness, and testify** I am a sovereign individual and Citizen of the United States of America and of the free State in which I live, pursuant to the *de jure* Republic's Constitution, Article I, Section 2, referencing a "Citizen of the United States," and Article IV, Section 2, referencing "Citizens of each State." I hold the sole, exclusive, and lawful meaning of Citizen to be a living man or woman, natural born or lawfully naturalized, living on the organic geographical land mass within the territorial and jurisdictional borders of the Republic for the united States of America. These Citizens from the free and independent states have united and are known as We the People of the United States of America, the Republic for the united States of America, and/or the Republic for/of the United States of America; and

**I affirm, witness, and testify** I am not a citizen, federal citizen, civilian, resident, debtor, chattel, or subject of political venue or jurisdiction by cause of contract with incorporated powers of the District of Columbia, either directly or indirectly. I hold no allegiance and/or fidelity to any foreign prince, potentate, state, sovereign individual, country, or any law form antithetical to the Republic's law form. I am not bound, intentionally or unintentionally, to any political district, agency, affiliate, or incorporated powers of any kind, which would waive lawful United States Citizenship status, responsibilities, duties, and rights enumerated and protected by the Republic's Constitution. All such terms and conditions are inferior and only enforceable, binding, and valid to the extent that all are subject to the supremacy of the Republic's Constitution, the Bill of Rights, and the lawful amendments and general laws pursuant; and

**I affirm, witness, and testify** my sole and exclusive political jurisdiction and law venue rest on the common law of God; the Holy Bible; sacred trust of self-governance; the Declaration of Independence, July 4, 1776; the Constitution for the United States of America, September 17, 1787, fully ratified with the Bill of Rights, *circa* 1791; and the lawful amendments and general laws pursuant. In Witness this day I do hereby subscribe my name.
