Gallery of Infamy... the Jews that perped 911

By Monkey See Monkey Do, May 07, 2009 <http://theinfounderground.com/forum/...&t=5367#p20823>

Who leased the WTC only seven weeks before 9/11?

Larry Silverstein -- Explains his reason for purchasing the towers as "I felt a compelling urge to own them." Larry had breakfast in "Windows on the World" restaurant [every single morning](#).

On 9/11 he never showed up. Neither did his daughter who worked in building 7.

Frank Lowy -- Owner of Westfield America. In May 2001, Westfield paid \$US127 million for a 99-year lease on the retail area beneath the New York World Trade Center. [Lowy](#) was a member of the Golani Brigade, and fought in the Israeli war of independence. Lowy steered clear of the WTC on 9/11.

Who authorized the lease of the WTC complex to Silverstein?

Lewis Eisenberg -- Chairman of the New York Port Authority.

All three men are high ranking Jews in the Anti Defamation League and United Jewish Appeal.

Who pushed the WTC for privatization?

Ronald S. Lauder, who was on the board of directors of the NY board of privatization. He is the key individual who lobbied for the privatization of the WTC, but he also got Stewart Airport, formerly Stewart AFB, to become privatized. Oddly, the flightpaths of flight 175 and flight 11 converged directly over this airport.

Lauder is active in the [following organizations](#):

- Conference of Presidents of Major American Jewish Organizations
- Jewish National Fund
- World Jewish Congress
- American Jewish Joint Distribution Committee
- Anti-Defamation League
- Jewish Theological Seminary

Lauder has funded a school for the Mossad in Herzliya, Israel.

Who ran security at all three airports of "alleged" hijackings?

ICTS International / Huntsleigh USA (wholly owned subsidiary) Owned by Ezra Harel and [Menachem Atzmon](#). Both Israeli Jews. It is run by "experts" in the security and intelligence field. Israeli intelligence that is. Most employees were ex- Shin Bet agents.

Is this airport security company, who ran the security at Dulles, Logan, and Newark, really that shotty to allow 19 arabs on board 4 different planes with boxcutters, mace, and even a gun, or is there something else going on here? Menachem Atzmon was involved in an [Israeli political scandal](#) involving Ehud Olmert and other Likudnits in Israel.

ICTS was also in charge of airport security when the shoe bomber Richard Reid boarded a plane with a shoe bomb(allegedly). A few hours before the Patriot Act was voted on, it was edited to make foreign companies in charge of security on 9/11 immune to lawsuits. This would prevent American courts from demanding that ICTS provide testimony or hand over the missing surveillance videos from the airports.

Who was on board flight 11?

Daniel Lewin an Israeli Jew, was confirmed to be a member of the special Israeli commando unit, the Sayeret Matkal, which specializes in "anti-hijack" takeovers and assassinations. Originally, Betty Ong pointed to his seat, 9B, as the one shooting people with a gun and leading the hijacking. It was later changed to him being shot, later revised to him being stabbed.

Who had the contract to run security at the WTC?

KROLL Associates, owned by...

Jules Kroll - Jewish, Kroll was run by...

Jerome Hauer who was also the guy chosen to run Mayor Rudy Guiliani's office of emergency management from 1996 to 2000. [Jerome Hauer](#) is also Jewish. Hauer's mother, Rose Muscatine Hauer, is the retired Dean of the Beth Israel School of Nursing and the Honorary President of the New York Chapter of Hadassah, the Daughters of Zion movement that is one of the central Zionist organizations involved in the creation and maintenance of the State of Israel.

Hauer, however, told journalist Sander Hicks in a phone conversation that Larry Silverstein hired a "private" security team on his wtc complex. I wonder who manned this "private" security team, since they are the lead suspects in the placing of explosives.

Were Jews forewarned of the attacks?

Israeli instant messaging company, Odigo, admitted that two of its employees [received instant messages](#) warning of an impending attack 2 hours prior to the first plane hitting, this warning was not passed on to authorities, which could have saved thousands of lives.

Odigo has a feature on its service that allows the passing on of messages through a search feature based on nationality, such

as Israeli. Knowing these two particular Jews were forewarned, it is very likely they passed the message on to other Jews considering that out of the 4000 Israeli Jews believed to work in the trade towers, only ONE died that day.

Odigo has offices in New York, and in Herzliya, Israel. Herzliya happens to be the Head Quarters of Mossad. Do the math.

Odigo was later bought up by another Israeli company called Comverse. The CEO of Comverse was Kobi Alexander, "dual" Israeli-US citizen, with connections to Mossad. He has been charged on several counts of [fraud](#).

Goldman Sachs Forewarned

On Sep 10, 2001, the Tokyo branch of Goldman Sachs warned its American employees to steer clear of American buildings.

Israeli ZIM Integrated Shipping Services Forewarned

ZIM, an Israeli company, vacated its office (10,000 square feet) in the North WTC tower a few days before 9/11, breaking its lease. 49% of this company is owned by the Israeli government. The lease ran till the end of 2001, and the company lost \$50,000 by breaking the lease. Later, FBI agent Michael Dick, who was investigating Israeli spying before and after 9/11 and looking into the suspicious move, was removed from his duties by the head of the Justice Department's criminal division, Michael Chertoff (Jewish).

Israeli espionage around 9/11

Shortly before 9/11, over 140 Israelis had been arrested for suspected espionage. Some of them were posing as Art students. These suspects targeted or penetrated Military bases, DEA, FBI, Secret Service, ATF, U.S. Customs, IRS, INS, EPA, Interior Dept., U.S. Marshal's Service, various U.S. Attorneys Offices, Secret government offices Unlisted private homes of law enforcement/intelligence officers. Most of the suspects served in military intelligence, electronic surveillance intercept and or **explosive ordinance units**.

Dozens of Israelis were arrested in American malls kiosks selling toys, acting as a front for a spying operation.

60 detained suspects worked for the Israeli company AMDOCS which provides most directory assistance calls and almost call records and billings services for the U.S. by virtue of its contracts with the 25 largest telephone companies in the U.S.

All alleged 9/11 hijackers had fake IDs. During a joint FBI-CIA operation against the lead patsy hijacker Mohammad Atta in Fort Lee, NJ in 2001, the operation was photographed by Israeli agents and thereby compromised. These Jews were providing cover for the future patsy hijacker teams.

Sixty more Israelis caught after 9/11

Following 9/11, over 60 Israelis were detained either under the Patriot anti-Terrorism Act or for immigrations violations. Some of them were active Israeli military personnel. A number of them failed polygraph examinations when questioned for surveillance activities against the U.S. Some of them were found to have been spying on Arabs.

This includes the dancing Israelis who were caught in multiple places filming, and cheering the attacks. These men admitted being Mossad agents.

[dancing Israelis](#)

Their names were Sivan & Paul Kurzberg, Yaron Schmucl, Oded Ellner, they later appeared on an Israeli talk show and claimed to be "documenting the event," their cameras were set up BEFORE the first plane struck.

Another group of Israelis were caught with truck bombs around the George Washington Bridge. A third group of Jews were caught with a van that had a mural painted on the side literally depicting the 9/11 attacks.

All of the white vans were working for the Mossad front company called "urban moving systems" under direction of Dominic Suter, a Mossad agent, who fled to Israel right after 9/11. ALL of these Jews were sent back to Israel under direction of Michael Chertoff.

Don't think Israel could disable Norad? THINK AGAIN!!

Ptech Software systems – computer control backdoor

Most national security computerized systems that would have scrambled jets in the event of national emergencies such as multiple hijackings were running on Ptech software.

Jew Michael S. Goff was marketing manager at Ptech and also worked for Isareli database company Guardium (Jew Director Amit Yoran); Guardium has been funded by Mossad fronts. Ptech was funded by Lebanese and Saudi Americans, but why did Goff leave a well-paying job at a Jewish law firm for the dodgy startup Ptech? Goff was obviously working as a sayanim.

MITRE corporation (computer software)

MITRE – major defense contracting organization headed by former Director of Central Intelligence Jew [James Schlesinger](#).

Ptech was with the MITRE corporation in the basement of the FAA for two years prior to 9/11. Their specific job was to look at inter-operability issues the FAA had with NORAD and the Air Force in the case of an emergency. This software was installed on the computers of most U.S government agencies. Including the military

Precision guided plane anyone?

The plane hitting WTC North Tower

The first plane to hit the WTC (North Tower) hit the computer room of Jewish-owned Kroll Associates (Managing Director Jerome M. Hauer), the company that had acquired control of building security after the 1993 bomb attack on the WTC. Precision guided by equipment in the office anyone?

Who could possibly remote control planes into the towers? Ask DOV ZAKHEIM!!

[Dov Zakheim's](#) System Planning Corporation – remote airplane control technology

The SPC Corporation provided the flight termination system and command transmitter system, the technology that allows planes to be remote controlled should the pilots be incapacitated or the plane hijacked.

Who quickly shipped off the WTC metal overseas?

Alan D. Ratner's Metals Management and the SIMS group. Ratner is Jewish. Ratner merged with the SIMS group and the Hugo Neu corporation, and they made a handsome profit. Ratner sold over 50,000 tons of crime scene evidence steel to a Chinese company at \$120 per ton; Ratner had obtained them for \$70 per ton.

9/11 Investigation in Jewish hands from the start!!

Jews were appointed the chief judges:

Alvin K. Hellerstein A judge for the U.S. District Court for the Southern District of New York and has been involved in several high-profile 9/11 related cases including consolidated master case against three airlines, ICTS International NV and Pinkerton's airport security firms, the World Trade Center owners, and Boeing Co., the aircraft manufacturer

Michael B. Mukasey - This Jew judge oversaw the litigation between Larry Silverstein and insurance companies after 9/11. Silverstein was awarded billions.

Michael Chertoff

Kenneth Feinberg set up the victim's compensation fund (\$7 billion); the Jews managed to get 97% of the victims' families to take the money in exchange for not demanding a legal investigation of 9/11. The minority of family members demanding an investigation had to deal with a special mediator: Jewess Sheila Birnbaum. Nothing happened though.

Benjamin Chertoff - (cousin of Michael Chertoff) wrote the 9/11 hit piece in Popular Mechanics debunking '9/11 conspiracies' using ridiculous strawmen.

Stephen Cauffman - Leader of NIST coverup of WTC 7 destruction. These lowlifes continued to maintain that fire brought down WTC 7, a physical impossibility.

Who wrote the fraudulent 9/11 commission report?

Philip Zelikow, Jewish Dual Citizen of Israel & the US.

Jews in the Right Positions!

Rabbi Dov Zakheim - Co-author of the PNAC paper on rebuilding America's defenses advocating the necessity of a Pearl Harbor-like incident to mobilize America. Served as Pentagon comptroller from May 4, 2001 to March 10, 2004. Two large sums of money disappeared from the Pentagon under him. In the beginning \$2.3 trillion was reported missing by Donald Rumsfeld (September 10, 2001) and later Zakheim was unable to account for another trillion dollars. Zakheim also had squads of American F-15s and F-16s sold as surplus to Israel at a fraction of their value.

Michael Chertoff – Jew assistant attorney general for the criminal division of the Justice Department; later, Director of Homeland Security.

RICHARD PERLE

Richard Perle – Chairman of Pentagon’s Defense Policy Board. He was expelled from Sen. Henry Jackson’s office in the 1970s after the NSA caught him passing highly classified documents to Israel.

Paul Wolfowitz – Was Deputy Defense Secretary, and a member of the Defense Policy Board in the Pentagon.

Israel caught creating [fake Al Qaeda](#) shortly after 9/11!!!

First Ariel Sharon attempts to spew propaganda that he thinks Palestine is harboring "Al Qaeda" so as to justify attacks on it... Israeli Prime Minister Ariel Sharon said that al-Qaeda militants were operating in the Gaza Strip and Lebanon. "We know that they are there. We know that they are in Lebanon, working closely with Hezbollah. We know that they are in the region," he said. [BBC News 12/5/2002](#)

Then Palestinian officials arrested the fake "al Qaeda" poseurs who were actually Mossad agents.

"Officials from the Palestinian Authority have accused the Israeli spy agency Mossad of setting up a fake al-Qaeda terrorist cell in Gaza. Palestinian leader Yasser Arafat said that Israel had set up the mock cell in order to justify attacks in Palestinian areas." [BBC News - 12/8/2002]

The BBC's Jeremy Cooke says that the Israeli Government is keen to demonstrate to the Americans that they are facing a common enemy.

Mossad Agent posing as Al Qaeda, AGAIN!!

Adam Gadahn, pictured above, is the so called Al Qaida spokesperson who released videos of himself preaching Al Qaida goals and ideology on numerous occasions. The FBI even have him on their [most wanted terrorists list](#). It turns out he is a Jew named [Adam Pearlman](#), from California. Adam's grandfather, Carl Pearlman, was a prominent surgeon and on the Board of Directors of the Anti-Defamation League!

Fake Al Qaida videos come from Jewish sources!!

These fake "Al Qaida" Pearlman videos are conveniently always obtained first by a U.S gov't contractor called [Intel Center](#). This company is owned and run by Ben Venzke, a Jew. IntelCenter is an offshoot of of IDEFENSE, which was staffed by senior PSYOP officer, Jim Melnick(Jewish), who worked directly for Donald Rumsfeld for a time. Intel Center is probably getting these "Jihad" videos straight from Mossad HQ in Herzliya, Israel.

Another "intel gathering" company is called [Site Intel Group](#) which states its purpose is, "studying the primary source propaganda, training manuals, and chatter of terrorists offers insight into terrorists and their activities that can not be obtained anywhere else. To fulfill this need, the SITE Intelligence Group offers its Monitoring Service, which provides

numerous daily translations of terrorist propaganda and multimedia from primary source terrorist websites." - SITE

The director and founder of SITE Intel group is Rita Katz.

It turns out that Rita Katz is an [Iraqi Jew!](#) Her father was a Jewish businessman in Iraq and was sentenced to hanging after being caught SPYING FOR ISRAEL in the 1967 war. After her father was hung, Rita and her mother fled to Israel where she served in the Israeli army, which is compulsory, and went to university in Tel Aviv!

Who was related to one of the "alleged" 9/11 hijackers?

Still image from "laughing hijackers" video showing Ziad Jarrah(left), and Mohammed Atta(right), allegedly making their martyrdom video just before 9/11, all the while laughing hysterically about it!

Ziad Jarrah's uncle, Ali Al Jarrah(pictured above), was recently discovered by Lebanese authorities of being a [Mossad Spy for 25 years!!](#) Coincidence? I think NOT!
